Are you quarantined because you: - Have been in direct contact with someone diagnosed with COVID-19? - Have traveled outside of the country or have been in close contact with anyone who has traveled outside of the country, to a high-risk region, in the past 14 days?

I confirm that I have read the above questions and can answer "no" to all of them. If the answer to one or more of the questions between the time of booking and the appointment changes to a "yes", I will cancel the appointment.
